VOL. XXXVI — SONOMA, SONOMA COUNTY, CAL., JULY 25, 1914. — NO. 2

LOCAL NEWS OF SONOMA AND IMMEDIATE VICINITY

Elmer Gobar, who is connected with Baker & Hamilton, San Francisco, visited with his brother, Dr. Irving C. Gobar, over Sunday.

Miss Alice Blumer returned to her home in San Francisco, Thursday, after a two weeks' visit as the guest of Mrs. Dora Stofen.

Genial Jack Trabucco, who has many friends in Sonoma, is spending a fortnight's vacation here, a guest at the Union Hotel.

L. B. Lawson, specialist of the Lawson-Rinner Optical Co., Santa Rosa, will not be at the Union Hotel this month until Thursday, July 30. Mr. Lawson is sojourning on the coast.

A. W. Adler has been making some improvements in the interior of his fine home, which adds materially to its comfort and convenience. The painting and decorative work is being done by A. L. Wells.

Peter Yenni, Sr., is spending a fortnight at Guerneville, reports from whom are to the effect that he is having a fine time. During the absence of its owner the Yenni place of business is in charge of Hugo Garser.

City Trustee Chas. Dal Poggetto and family are now luxuriating in the pleasures of automobiling, that gentleman having purchased a five-passenger Ford. Sunday last, with their son Newton at the wheel, Mr and Mrs. Dal Poggetto enjoyed a ride to Santa Rosa.

District Attorney Clarence F. Lea has filed a demurrer for the County of Sonoma to the suits of Hatch, Guffin, et al., who claim in all $45,000 damages for the injuries they received and for the death of a boy, when a surrey went off a bridge in Nun's Canyon, above Glen Ellen. The demurrer alleges that the facts stated in the complaint do not constitute a cause of action.

Mrs. Grace B. Caukin was here from San Francisco for the day, Sunday. Through the agency of F. W. Carter, nine more acres of the Lewis tract have become the property of Mrs. Caukin, her fine country place now comprising twenty acres of some of the best land in this section. Mrs. Caukin has entered upon her duties as receiver in the United States Land Office and is much pleased with the position.

J. Johanson, of San Francisco, has been in town this week arranging for further improvements on his fine property, on the Baxter tract, which he leased about two months ago to Emile Challstrom, who, with his wife and four children, came here from Selma, Fresno county. The erection of a modern bungalow on the place has just been completed. The tract embraces fifty acres, and will be utilized to the best advantage by Mr. Challstrom, who is a practical farmer. The property is already well improved, and contains a fine water supply, Mr. Johanson installing a reinforced concrete reservoir, with a capacity of seventy-five thousand gallons, about two years ago.

Frank Furey, of Oakland, was a guest at the L. H. Green home the week-end.

L. Homeier, of San Francisco, is the guest of Mr. and Mrs. H. J. Wicker, and will be present to assist in entertaining at the Garden Party this afternoon and evening. Mr. Homeier returned, Wednesday, from a hunting trip through the Napa valley.

On returning from his week-end sojourn at Willow Camp, Bolinas Bay, N. J. Heggie was accompanied by his family. Mrs. Heggie and children enjoyed in the fullest measure their several weeks' stay at the favorite resort, and the young people will be quite willing to resume school work.

Wm. Liebscher, of the metropolitan police force, returned to San Francisco, Monday morning, after a fortnight's vacation spent enjoying the rare climate and other attractions of our peerless valley. Genial "Bill" patrols on Castro street, to Eighteenth and Twenty-second, and while nobody has intimated that "He's a devil in his own home town," yet we do know that he's mighty popular, and made many friends during his stay in Sonoma.

Mine Host Frank Koenig of the Union received a mess of trout, sent by his friend, Henry Plagemann, of the big metropolitan firm of Siebes Brothers & Plagemann. The well-known commercial salesman, who is one of the most popular knights of the road, is enjoying an outing at Brockway Hot Springs, Lake Tahoe, and writes that fishing is very poor, although he sent a fine "catch" of the speckled beauties.

Louis Pippin, owner of a seven-acre farm at Buena Vista, was severely burned about the face and hands, while trying to extinguish the fire which consumed his residence Sunday afternoon. The gentleman was taken to the Broadway Sanitorium and his burns dressed by Dr. A. M. Thomson. The conflagration, which was caused by the explosion of a defective coal oil stove, resulted in the complete loss of the building and its contents. The destruction of his home is a heavy blow to Mr. Pippin, as he carried no insurance.

Tonight, at Woodman's Hall, will be effected the permanent organization of a local branch of the Fraternal Brotherhood. The institution of the lodge is to be conducted by the District Manager J. J. Banbury of San Francisco, assisted by Mr. and Mrs. J. Henry, who have so successfully worked up the local lodge. There will also be present Captain Paul Jessen of the uniform rank, and about thirty other members of the Petaluma Brotherhood. A delegation of the fraternity is also expected from Novato. Between twenty-five and thirty have signed the membership roll of the Sonoma organization. After the business of the evening has been concluded, dancing is to be indulged, refreshments served, and a general good time will be the order of the hour.

Peter Basaglia is engaged in putting in two concrete piers for the support of the new bridge now in course of construction, and which spans Sonoma creek, between Boyes' Springs and Sonoma Vista Land Company.

Albert Warrener returned to Santa Rosa, Tuesday, after a few days spent with his father, A. E. Warrener. The latter gentleman, by the way, suffered a badly wrenched shoulder, Saturday last, as the result of a fall received while at work at El Verano.

Dr. Thomson was called to dress a gunshot wound, Tuesday, sustained by Madmoiselle Blanquette, a guest at Boyes' Springs. With a party of friends, the young woman was hunting in the vicinity of the Three-Mile House, and in crossing Sonoma creek, the shotgun which she carried was discharged, the ball passing through her gum boot and entering her foot.

There was no baseball game, last Sunday—greatly to the regret of the local fans—owing to the fact that the competing metropolitan nine missed their boat. However, tomorrow afternoon's game, it is expected, will recompense for the disappointment, as "some playing" is anticipated when the local team crosses bats with the visitors, the speedy Daly City nine.

Wm. Collins, of the Don Theatre, has been commissioned deputy constable by Officer Ryan, who, in vesting authority in Mr. Collins, did not do so because of increased violation of law. The duties of the latter gentleman taking him nightly through the valley will insure the speedy curbing of any attempt at lawlessness, since he is empowered to lawfully intervene. Mr. Collins will certainly maintain the peace of the resort district of the valley, and Deputy Sheriff Ryan displayed wisdom in his choice of assistant.

Dr. A. M. Thomson was summoned to Berkeley, Friday of last week, to attend Mrs. Wm. Hill, who was lying dangerously ill, suffering from an attack of appendicitis. It was thought for a time that it would be necessary to resort to an operation, but medical skill prevailed and the disease yielded to the milder treatment. Word received by Dr. Thomson, Wednesday, bore the welcome news that Mrs. Hill is very much improved. Her speedy recovery is earnestly hoped for by a legion of friends in the valley.

The Natomas Consolidated Company and E. M. Blumer are now shipping out their entire stock of basalt paving blocks to the metropolis, which aggregates jointly about two hundred thousand blocks. There is a possibility that The Natomas will arrange to resume operations at the local quarries. In Mr. Blumer's opinion the commercial value of basalt blocks is more than likely to increase during the next twelve months, as there will undoubtedly be a considerable increase in demand for them during the Exposition year. The stone hewn from the Sonoma valley quarries is of the strongest and best quality, therefore Mr. Blumer has faith in its ultimately becoming a paying proposition.

WHAT OUR NEAR-BY NEIGHBORL ARE DOING.

VINEBURG

Charles Frank and Aloise Groskopf were guests at "Alta Vista"—the Gericke residence, Sunday.

Frank Guilfoyle, of Sonoma, was a visitor here, Sunday, and his many friends were glad to see him.

A. W. Lehrke transacted business in the metropolis, Monday, and on Tuesday afternoon started on a hunting trip through Marin county.

Robt. P. Hill, one of the most esteemed residents of the northern part of the Sonoma valley, and S. P. Woodworth, who is numbered among Sonoma City's solid men, were visitors at Batto's spur, Tuesday last.

Dear "Easy Jim": The meeting of the Five O'clock Tea Club, which had been postponed from the previous week, was held Wednesday afternoon, with all members present. Really, Jim, dear, you would have been surprised had you been present—a bunch of women together the blessed afternoon and not one word about the latest styles of gowns; nothing about society doings, or matrimonial gossip! Now wasn't that a marvel? I 'spose you're wond'ring what we found to talk about, then? Why, politics, bless your heart! I did not know whether it was a meeting of the "Casey Social Club," or a caucus of the Republican State Central Committee.

I found out one thing, though, and that was that Joe Ryan was the one bright star that shone supreme in that bunch of maiden loveliness. We are all voters, you know, and Joe is our man, believe me. Fannie Ferndale made a stirring address, favoring supporting only those responsible aspirants for office who bravely shouldered the responsibilities of life—a wife and family, and that herein Officer Ryan had shirked duty. Viola Vineburg vigorously protested in the defensive, declaring that Mr. Ryan was going to be married, so what's the "diff?" Carrie Carleton addressed the meeting, and said she was proud to point to the official record of "our Joe," which equalled if not excelled for law, order, justice and strict attention to duty that of any other officer in like position in the county, closing her remarks as follows: "Girls, if you want an honest, fearless sheriff, then vote for Joe Ryan."

Minnie Madden, with a merry twinkle in her eyes of Irish blue, then rendered an appropriate solo, the chorus of which was as follows:

Joe Ryan is "our man"—
We will elect him if we can!
Tell him all about your scraps,
He can fix up all mishaps.
Our Joe is as full of peace,
As a pork chop is of grease.
So, don't delay on election day:
All vote for the maintainer of peace—Joe Ryan.

Now, isn't that the "most beautifullest pome?"

Yours faithfully,
OLIVIA OLIVER.

Mr. and Mrs. Henry C. Hyde and son Herchsall, of San Francisco, spent the week-end on the Hyde tract.

Quite a number of our baseball fans visited the Bear Flag City, Sunday, but did not see a game. Don't kick, boys! It was not Manager Jim Modini's fault, believe me!

Mr. and Mrs. Wm. Hyde and children returned to their home in Berkeley, Thursday of last week, after a months' visit at the old home on the Hyde tract.

Deputy Assessor Howard Knight of Schellville, and a prominent citizen in this part of the valley, was exchanging greetings with his many friends here one day last week.

Mrs. Thos. Lentz and children arrived here from San Francisco, the first of the week, and will be the guests of Mr. and Mrs. Enrico Forni for a week or two at their pretty residence at Vineburg.

Lowell Brothers shipped a consignment of dried apples to San Francisco, Thursday of last week. It represented one ton of choice product, the first dried fruit of the season from this part of the valley.

Our ex-mayor has a sign out on the corner of "Goo-Goo Avenue—Blue Gum Way," which reads: "Buy your lots off 'The Old Homestead.'" Maybe his honor is selling "job lots."

Mrs. August Figone and children and Miss Mary Batto, of San Francisco, accompanied Mr. and Mrs. Arthur Batto on an auto trip to Napa, where they were entertained by friends, passing a pleasant day, Sunday last.

Friend McHarvey and Harold Carriger, well-known young men of the Sonoma valley, started last week for a trip to the Panama Canal zone and South American countries. Good luck, boys! Prosperity attend you, and may you soon wander back again "to where the old home stands."

Phillip Bill, Jr., Joe Bacher, C. F. Colling and Joe Vargies composed a merry party enjoying a drive to Lakeville, Sunday last, in search of the luscious clam. They had good bait, but the bivalves were timid and did not bite, yet still they got a "stew," and report a pleasant time for the clams.

Fred Batto and daughter, Miss Emily, were visitors in the Bay City, Wednesday last.

Our new marshal, Enrico Forni, says he will make Vineburg an ideal as well as a progressive city. Last Sunday he "pinched" two well known citizens for riding their bicycles on the sidewalk, imposing a fine of five dollars each, it being their first offense. Next time he will send them up for ninety days. Look out!

Dr. Harper, who recently purchased the Shaw orchard, on the Hyde tract, is making many improvements on the property. The work is being done by Theodore Anthenian, the well-known contracting teamster.

EASY JIM.

EL VERANO NEWS

Miss Hattie Brandt has been engaged to teach at Agua Caliente for the ensuing term. Miss Brandt formerly taught with success in the schools of Glen Ellen. L. M. Bish, Wm. Hughes and F. Watriss are the trustees, the last named gentleman being clerk of the board. Caliente school opens for the fall term August 3d.

Mesdames Henry and Ferdinand Norrbom, of El Verano, spent Tuesday most enjoyably, the ladies motoring to Boyes' Springs, Glen Ellen and Kenwood. As the day was ideal, the trip proved delightful.

M. J. Riddle, formerly brakeman on the local Southern Pacific passenger train, but now a candidate for the office of county tax collector, was in town Wednesday. Mr. Riddle is well liked and it is hoped by his many friends that he will be successful in his campaign.

Mr. and Mrs. McClellen, of San Francisco, who are well and favorably known here, are spending several days at the Bellevue Hotel.

Joseph Fitzgerald had a sad mission to San Francisco, Sunday, where he went to attend the funeral of his mother, who passed away in the metropolis, Saturday. The many friends of Mr. Fitzgerald extend to him their deepest sympathy in his bereavement.

Rainy LaMotte, formerly of this place but now of the Post-street Market, San Francisco, spent a few days at the French Cottage.

L. V. Howell, of Sebastopol, candidate for county treasurer, paid this place a very pleasant visit, Tuesday, in the interest of his campaign. Mr. Howell will receive a handsome vote in this district, as he has a strong following throughout this part of the valley. He is an out and out Republican, one of the solid old timers, who has faithfully and unswervingly adhered staunchly to the principles of the one and only "grand old party." Moreover, as a man he stands high in the estimation of his fellow-men and is well worthy their support. Mr. Howell is postmaster at Sebastopol.

Eugene Dutil, of San Francisco, spent Sunday here with his parents, at the French Cottage.

Frank McGill, formerly of this place, but now holding a responsible position as stage driver for the San Quentin prison, was here shaking hands with old friends, Tuesday.

Ranald McDonald, foamerly a popular city official of Sonoma, was a visitor here, Monday.

John P. Serres, road overseer of El Verano and Agua Caliente districts, is taking the commendable precaution of painting the railings of all the bridges within his jurisdiction white, commencing the work last Saturday. Mr. Serres, who carefully looks after the needs of his section, reports the bridges perfectly safe in his locality, although, as is to be expected, many are not wide enough to permit of two conveyances crossing at one time. The plan of painting the railings white is an excellent precaution against accidents.

Roy Chance, George Block, Will Baines and Ralph Stillings, all of whom are popular "sports" of El Verano, returned from a week's outing at Dillon's Beach and Tomales last Monday. The jolly quartet travelled in the good, old-fashioned manner, camping out along the route. While on the coast, the boys had rare sport swimming, boating and fishing, coming home well laden with an abundant and splendid assortment of clams, crabs and other fish. It is said these gallants made other and more satisfying "winnings," too, as Dillon's Beach boasts a plethora of captivating girls just now.

SCHELLVILLE

Fern Saylor returned, Sunday evening, from a delightful visit of a week with Santa Rosa friends.

Mrs. J. Johnson, of Baxterville, who was quite ill at the Broadway Sanitorium, returned to her home Saturday feeling much improved.

Miss Alma McCrellis, of the Bay City, was the guest of Mrs. Frank McGill over the week-end.

The Misses Bertha and Lena Kiechler, popular young ladies of this place, are the guests of Petaluma relatives.

Tom and Jack Millerick left for Salinas, Tuesday, to take part in another rodeo at that place. They expect to be gone about two weeks.

John Lawlor, Jr., and a party of friends motored over here, Sunday, from Petaluma and visited friends.

Howard Knight, our popular deputy assessor, had the pleasure of a visit from his mother, Mrs. R. Knight, last Sunday.

Mrs. M. Millerick returned, Monday evening, after a pleasant week-end visit with Bay City relatives and friends.

Friends will be sorry to learn of the illness of our popular matron, Mrs Chas. Potter.

Miss Margie Stevens, of Oakland, after spending a week with her sister, Mrs. Anton Keiser, left for Tracy, Monday afternoon, where she expects to spend a week with another sister, Mrs. A. Leary.

Many people alighted from the train, Sunday, and registered at the Embarcadero hotel, where they enjoyed a fine dinner.

Mrs. Frank Rose is expected to return home from her Southern California trip next week.

David, the young son of Road Overseer Charles Potter, had the misfortune to break two bones of his right arm, Tuesday morning, while endeavoring to crank the family automobile. The child was taken into Sonoma, where he was attended by Dr. W. B. Hays.

Another painful injury suffered by a prominent Schellville resident was a broken shoulder blade, sustained by J. W. Bowers, on that gentleman's return from Boyes' Springs, Friday afternoon of last week, the accident occurring this side of the resort. In riding down a slight incline the head of the motorcycle broke and the rider was pitched forward over the machine. Dr. Hays attended the injured man, who is progressing nicely.

The "I Won't Workers" and One of Governor Johnson's Freak Bills.

One of the freak measures to be voted upon at the general election on November 3d is the proposed Constitutional Amendment ycleped "The Universal Eight-Hour Law Bill," introduced and passed by Governor Johnson's freak Legislature at its last session, which should be given its quietus.

This measure would be ruinous to our farmers. It is true it would cut down the working hours of the working-man, but would likewise curtail his wages, and give him less money to support a family on. This is made evident by a diversion of opinion among union labor workers, as is asserted by officers of the Farmer's Protective League of California, which is conducting a vigorous campaign throughout the State to defeat the uniquitous measure. The League, besides organizing branches in agricultural districts, has been interviewing workingmen engaged in all crafts to ascertain their views on the initiative law, which will appear as third on the ballot at the November election.

"Proponents of the Universal Eight-Hour bill have sought to create the impression that all workingmen, organized and unorganized, are committed to the measure," said Arthur Dunn, secretary and manager of the League, "and this view was largely adopted by persons who did not stop to consider how drastically this bill, if adopted, would deal with the man who labors in any capacity. There would be no more overtime, no more bonuses, no more reward for individual effort, no more incentive for industry. Every man would be reduced to a mere cog in a mighty mechanism. There would be no humanism left in life, but all would be mere automatons, punching time clocks at stated intervals. Scores of members of union labor organizations have assured our League that the proposed law, which has been initiated through the efforts of the Socialist party, will be very vigorously opposed by them on the ground that in reality the cardinal principle of trades unionism is jeopardized by the measure, while the Socialist propoganda is advanced. Many workers have volunteered their services to distribute literature presenting the farmers' side of this vital question.

"In the last few days we received a half dozen letters from workingmen and each concludes with this significant inquiry: 'What will happen to the cost of living if this measure becomes a law?'

"It has not taken the trades unionist long to find the flaws in this bill. Of course, it is to be expected that Socialists and I. W. W.'s will give the measure active support, since it is entirely in accord with their teachings.

"We have found that many city folk, used to the eight-hour day for factories and indoor work not directly dependent upon nature, express the belief that the proposed Universal Eight-Hour Law is a good thing, but the moment their attention is called to the very sweeping proposition that would deprive an industrious man of the right to work where and when he pleased they realize the utter impossibility of establishing such an uncompromising rule."

RACE MEET BIG SUCCESS

In detailing the races held at the Santa Rosa track, Sunday, the Press Democrat said:

Ideal weather, fast track, big crowd, excellent racing and clean sport combined to make the matinee races under the auspices of the Sonoma County Driving Club a success in every detail. So pleased were the thousand or more people present that the club has been importuned to give another meet before the end of the season.

When George Ramage drove his trotter Clara Mills a mile in the first race, the 2:20 mixed, in 2:15, lovers of the harness game rose in their enthusiasm and indulged in a merry outburst of "Hurrahs." But enthusiasm soared to the top notch when Manny Reams and Joe Ryan drove one of the most exciting heats witnessed on the local track in many meets, almost neck and neck at the finish, in 2:12. This was in the free-for-all pace. Reams drove Protrero Boy and Ryan was in the sulky handling the ribbons over Le Dona, E. M. Crowell's magnificent pacer.

Sam Norris, the veteran driver and always gentleman on the track, drove Dr. J. J. Summerfield's Burnside to victory in two straight heats very handily in the road race, one of the interesting events of the card.

Joe Ryan, candidate for sheriff, and very popular reinsman, who was in the sulky in each of the events, was greeted with enthusiasm. He drove J. Ramatei's Petaluma Girl to the winning post in great style in the fourth event, the 2:20 class mixed. He also drove Clara C (Tom Millerick's), a pacer, to victory in the 2:25 event. Ryan presented the prizes his skill annexed to the owners of the horses he drove.

ENJOY LIFE AT AGUA CALIENTE

Time goes merrily with guests at Agua Caliente Springs, and the many diversions that the Richards' resort offers are eagerly patronized by the various guests.

The swimming match, last Saturday evening, was attended by a large crowd. It has been deemed advisable to make the hour of starting the future contest somewhat late, so as to enable those living at a distance to attend, and accordingly the first event will not take place until 9:30 p. m. The date of the next contest will be announced later.

The medicinal and curative properties of the waters are much appreciated by the guests at the hotel, as well as by the numerous residents of the nearby cities, who are supplied through the agencies maintained by Mr. Richards.

The newly-weds were in evidence lately at Agua Caliente, two happy couples having been sent upon their blissful way within the last week. The first couple, Mr. and Mrs. Mattis of Berkeley, after being made one in Oakland, very quietly slipped away o Agua Caliente Springs, and upon their doparture were given a cordial and noisy a ieu by the other guests. The second pair were, so rumor has it, married quietly in Sonoma, Thursday. When they left on Monday, the rice flew like snowflakes in an old-fashioned eastern blizzard, and Mr. and Mrs. McDermott left for their little home in Berkeley with the heartfelt wishes of the guests for their health, happiness and prosperity.

Some of the guests at Agua Caliente Springs have taken to wooing the Muse, and, if the editor of this publication, with characterietic courtesy will so order, some of their efforts will be given in the next issue.

Over $832,000 Gain in the County's Assessed Value.

County Assessor Jos. P. Berry has completed the footings of the county assessment roll for the year 1914, reports the Press Democrat. The total assessed value of property in the county of Sonoma is $38,584,160. This shows a very satisfactory increase over last year's assesement of $832,835.

As stated several days ago during the time the supervisors were examining the assessment rolls, no one appeared to object to any of the assessments made by the county assessor.

Attention is called to the fact that if the railroad assessment fixed by the State Board of Equalization was added to the figures mentioned above it would bring the total assessment in the county up to $41,647,101. The coin from the railroad assessment goes into the state treasury.

SOCIETY EVENTS---CLUB NOTES---PERSONAL MENTION

(BETSY JANE'S OWN DEPARTMENT)

Tonight certainly offers many attractions, and the pleasure-loving public will find it rather difficult to decide just which event to patronize. It is really rather regrettable, I think, that so many affairs, each of which is worthy of patronage, have been arranged for the same evening, especially when we have the several other nights of the week on which nothing is occurring. However, I believe between the many visitors in the valley and ourselves each event will prove financially successful.

Lest you forget, I'll remind you first, reader, mine, that one of the three events which should be borne in mind is the ball to be given at Chavet Hall, under the auspices of Glen Ellen Parlor of Native Sons for the benefit of homeless children. These unfortunate little ones, I'm sure, will not be forgotten. As a matter of fact, they should receive first consideration. The people of this valley are seldom asked to do anything for real charity, and when a call comes we should respond. To shelter pitably bereft little ones is charity of the truest, noblest, and the capacity of Chauvet Hall should prove inadequate to accommodate the friends of helpless, appealing childhood. As I told my readers last week, the committee in charge of the affair comprise the following-named gentlemen: Chas. J. Poppe, A. Kunde and J. Pancrazzi.

While there is not to be dancing at the affair for the benefit of the Woman's Club House fund, yet so many novel forms of entertainment have been arranged that devotees of Terpsichore will decide that the favorite pastime was not necessary to contribute to the pleasure of the evening.

It will be genuinely exciting, you know, to ferret out the identity of the pseudonymous "Bonnie Burr," aside from the fact that a prize rewards success in this clever bit of detective work. There's to be no charge for searching out the mysterious lady. When assured that one has fathomed the mystery of identity, it has been stipulated that "Bonnie Burr" is to be addressed as follows, else the prize is not forthcoming: "Pardon me! are you a member of the Sonoma Valley Woman's Club, whose motto is 'Onward, and always ready in love and war?'"

"A Trip Around the World" is attended by no charge, and to view the curios in the museum, which is in charge of Mrs. Lulu V. Emparan, will cost but ten cents. One of the most interesting of the exhibits will be the original copy of a letter written by George Washington, which had been a gift to the late General Vallejo, and is yet a treasured family possession. Entertaining vocal and instrumental numbers will be rendered, L. Homeier, the fine violinist, appearing among others.

The ladies will receive patrons both this afternoon and evening at the fete, which is to be given in the beautiful grounds surrounding the handsome home of Mr. and Mrs. Henry Wicker, and promise all who attend a truly delightful time. The evening, as a matter of course, will prove the more enjoyable, as the grounds are to be brilliantly lighted, and "Bonnie Burr," who declined to appear in the glare of the sunshine, will be present.

An annual custom at Boyes Springs, since Dr. and Mrs. E. L. Parramore have been identified with the State-famed resort, has been to tender a benefit to the St. Francis Catholic Church of this city. Tonight was the date named and announced for the event, but the management has since decided that, in order to contribute to the success of the Glen Ellen benefit for the homeless children and the garden party given by the Woman's Club, to postpone the St. Francis Church benefit until next Saturday night. Art Hickman, as a matter of course, has the arrangement of the program in hand, which is a guarantee that an evening of pleasure is in store for the patrons of the affair.

Russel Colton, son of Mrs. Wm. Russell, was tendered a farewell surprise, Thursday night, prior to his departure for New York, for which state he leaves Monday next. Russell is decidedly popular among the young people of the valley, hence invitations to his party were responded to, fully seventy-five of his friends assembling at the Russell home to say "good-bye, good luck and safely and soon home." After the seranade by the Boys' Band, the company repaired to Lawton Villa, where dancing was indulged and a most pleasurable time enjoyed by the guests. Refreshments were served and at midnight the merry-makers dispersed.

From a recent issue of a Santa Cruz paper, I gleaned the following note, which will prove of interest to the friends of the guest of honor, Mrs. Sarah Baines:

"On Wednesday evening, the 15th Mr. and Mrs. Harry Aylmer of Pelton Avenue, held a reception at Mrs. Watters' Rainbow Nest in honor of Mrs. Aylmer's aunt, Mrs. Sarah Baines, who is visiting them from El Verano, Sonoma county Wednesday was the seventy-sixth anniversary of Mrs. Baines' birth, Thirty-five guests were present and the evening sped too quickly with games, music and songs, after which all retired to the dining-room, which was decorated with the pretty Shasta daisies and asparagus fern. A large horseshoe of the daisies graced the center of the table, together with the beautiful birthday cake, prepared by Mrs. Aylmer. After the guests had lighted their tiny individual candles, ice cream, cake, punch and candies were served. Mrs. Moody, whose candle burned out first received the first prize, and J. B. Myers, whose candle burned out last, received the booby prize. After congratulations to Mrs. Baines and the singing of Auld Lang Syne, the guests bade her adieu, hoping to meet Mrs. Baines in Santa Cruz again next year."

The recipient of this tesimonial of affectionate regard is one of the most highly esteemed of Sonoma valley's pioneers one whose fine character and delightful personality have endeared her to all who come within her influence. Mrs. Baines yet retains her ambition and much of her remarkable vigor, interesting herself in the advanced feminist movements of the day. Friends, a legion of them, extend congratulations, and hope that the span of life will be extended for many more milestones before the resting-point in the journey is reached by Mrs. Baines.

Mrs. Hannah Appleton accompanied her little granddaughter, Lois Appleton, on the latter's return to her home in Berkeley, Wednesday. Dainty Lois had a glorious time during her vacation of four weeks spent with her relatives, having learned to swim and ride under the tutorage of her aunt, Mrs. Carrie Burlingame, who is skilled in both arts. Mrs. Appleton will return to be present at the Woman Club's Garden Party this afternoon and evening.

Miss Bernice Hocker, who has been the guest of Mrs. A. M. Thomson, returned to her home in Santa Rosa, Tuesday. Miss Bernice is very popular in this, her former home town, and quite deservedly, as she has charm of character as well as personality. Miss Hocker is a student at the University of California, with a year's study before completing the course.

Mrs. Erhard Steiger pleasantly entertained Mesdames C. E. Saylor, Frank McGill, J. A. Landsborough, J. Shoemake and Fred'k Schell at her hospitable home at Schellville, Tuesday afternoon. The esteemed hostess made the occasion most enjoyable, serving the appreciative ladies with delicious refreshments.

Our highly esteemed residents, Mr. and Mrs. Arthur S. Luce, are happily receiving felicitations on the arrival of their first-born—a beloved daughter. The welcome and lovely baby girl was laid in the arms of her happy young mother Thursday morning. Both are doing nicely, I am pleased to note.

Mrs. H. J. Chauvet, one of Glen Ellen's prominent residents, is visiting with her daughter, Mrs. R. Meller, in Alameda. Mrs. Chauvet will spend about six weeks sojourning about the bay.

Mrs. Wm. Trudgen, accompanied by the younger members of her family, enjoyed the week visiting with relatives in San Francisco. They will return home tomorrow.

Miss Hazel Gies returned from a several days' visit in the City of Roses, Wednesday, where she was the guest of Mrs. Paul Clary.

City Trustee and Mrs. Charles B. McDevitt and family enjoyed Sunday last viewing the attractions of the metropolis.

Mrs. Fred T. Hansen returned Sunday, from an enjoyable visit with relatives and friends in San Francisco.

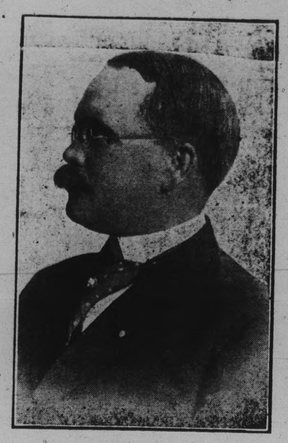
Mrs. S. McElroy and little granddaughter, Aletha Skinner, are sojourning for a time at Pacific Grove.

Miss Cecelia Thomson is having a delightful time in Berkeley, visiting the Misses Hays.

Miss Inez Basaglia is enjoying a several weeks' visit with friends in Santa Rosa.

Mrs. S. Batchelor and son, Elmer, were visitors in the Bay City Monday.

HERBERT SLATER FOR SENATOR



Assemblyman Herbert W. Slater, who is a candidate to succeed Senator L. W. Juilliard, whose ill health has demanded his temporary retirement from business activities, has served this Assembly district for two terms and people of all political parties agree that he has made a good and efficient representative and has been true to his constituents. In the lower house Mr. Slater was always awake to the interests of his district as well as the state at large. He took a firm stand when it came to protecting the agricultural and other interests that mean so much to Sonoma county and the agricultural communities of the state. He is a hard and conscientious worker and thoroughly in touch with the needs of the district. The promotion he seeks, his friends agree, is deserved, and if successful he can be relied upon to serve Sonoma county and the state at large faithfully and well. The people of the Sonoma valley are particularly favorable to Mr. Slater's candidacy in view of the interest he took in the restoration of the Old Mission and the erection of the Bear Flag Monument. He introduced the bills for the appropriations and worked hard for their passage, and the results are seen today in the preservation of the ancient landmark and the commemoration for all time of the deeds of valor achieved by the Bear Flag party. He also introduced and successfully passed through both houses the State Grange Fire Insurance Bill, and the law making it a misdemeanor to give tickets to worthless lots of land in this and other counties with admissions to moving picture shows. Another law on the statute books, introduced by Mr. Slater provides for the protection of bathers at resorts along the rivers and streams. These are but a few of the instances that have marked his career in the lower house of the Legislature.

AT GUERNEVILLE

From Guerneville comes a gratifying note from Jesse F. Prestwood, the able principal of the Sonoma Grammar School, who is enjoying the vacation with his family on the coast.

"We spent last week very pleasantly at Markham's," writes Mr. Prestwood, "and are now encamped near Guerneville. Although the weather has been a little cool for camping out, unusually so for this season of the year, the resorts in this section all report record-breaking crowds.

"The new seaside resort, Jenner-by-the-Sea, has had a remarkably good season, especially for the first. It bids fair to become one of the most popular of the Russian river resorts. From Rionido, on through Guerneville, Guernewood, Montlesano, Russian River Heights, Monte Cristo, Mont Rio, Mesa Grande, Duncan's, Markham's and Jenner, a distance of some ten or twelve miles along the banks of the beautiful Russian river, may be seen an almost continuous line of resorts, cottages and camp grounds.

"In Sonoma valley and the river section, California can boast of its two finest pleasure grounds, and sections, too, that will continue to draw larger and larger crowds, as their attractions become more widely known.

"I had the pleasure of meeting my old Sonoma friend, Mr. Yenni, this morning 'on an early morning tramp to Armstrong's Grove,' so he said, but a few minutes afterward I saw him returning in an automobile, apparently very much pleased with the walk.

"The fame of our deputy sheriff, or rather our next sheriff, is becoming well spread through this portion of the county, and he is looked upon as a sure winner. When people living in the most distant part of the county from the Sonoma valley, are commenting so favorably upon Mr. Ryan's ability and record as a peace officer, and his standing as a man among men, we must indeed have a strong candidate, and a man qualified for the office in every particular.

"We will probably be home again about August first, and hope to see that new school building under way."

DR. PHILLIPS MAKES STATEMENT

To the Citizens of Sonoma County:

In announcing my candidacy for the office of Coroner and Public Administrator, subject to the will of the voters at the primary election, I desire to say that I did not become a candidate until after having received the personal assurance of my friend, Frank L. Blackburn, that he does not desire re-election and will not be a candidate at the primaries. Mr. Blackburn has made a highly efficient public official, and had he desired re-election, I should have been his warm friend and supporter, as I have been in previous elections. If I am chosen as his successor, it shall be my aim to continue to give as good and efficient service to the people as has been rendered by Mr. Blackburn.

I also desire to assure the voters that, in the event of my election to the office of Coroner and Public Administrator, the official duties of that office shall at all times receive strict attention and that my private business will be entirely subservient to my duties as a servant to the people. In the discharge of my duties as coroner I shall investigate all cases vigorously and shall not be swayed by any influence whatsoever. As administrator of estates, I shall proceed with exactness and with as great a degree of economy as may be possible to the end that the heirs may receive as great a share as possible of the estates coming under my supervision.

DR. FRANK H. PHILLIPS.

Suit for Damages.

A. W. Lehrke has commenced suit against our esteemed young townsman, Anible Maffei, to recover $10,150 damages for an injury to his right eye, resulting from a blow struck by defendant.

The complaint states that on July 14th last, the plaintiff was struck by the defendant, injuring the ball of the eye, inflicting great pain and necessitating treatment from a physician, which cost $150. R. L. Thompson is Lehrke's attorney. Mr. Maffei, one of Sonoma's sterling young business men, informed an Index-Tribune representative, Thursday afternoon, that he had no anxiety as to the outcome of the suit, as Lehrke was the aggressor in the difficulty, which arose over the payment of a bill due the defendant. Although resenting the insulting language addressed to him by Lehrke, yet Maffei did not strike until he found it was necessary to do so in self-defense, as Lehrke became belligerent and struck at Maffei first. The young man's friends feel assured that the outcome of the action will be in his favor.

Officers Installed

The newly-elected officers of Verdant Rebekah Lodge were inducted into office at Odd Fellows' Hall, Thursday evening, in the presence of a large number of members of the fraternity. The installation ceremonies were conducted by District Deputy President Mrs. Lily M. Ferguson, of Geyserville, assisted by the following district deputy grand officers: Warden T. A. Cheney, Secretary Gladys Small, Marshal Perle Hunter, Treasurer Susie Revie, Chaplain Alice Rubke, Inside Guardian Arvilla Revie. The newly-elected and appointed officers of the lodge are as follows: Past Noble Grand, Ethel S. Kinne; Noble Grand, Mrs. Blanche Rambo; Vice Grand, Mrs. Alice Wagnon; Secretary, Jessie Hiser; Treasurer, Miss Emily La Torres; Warden, Alice Rubke; Conductor, Gladys Small; Right Support Noble Grand, Mrs. T. Cheney; Left Support Noble Grand, Mrs. Susie Revie; Right Support Vice Grand, Mrs. Ida Entelman; Left Support Vice Grand, Mrs. Florence Cutter; Inside Guardian, Mrs. Ragua Janson; Outside Guardian, Amy Rowe; Chaplain, Mrs. Emma A. Small. A sumptuous banquet was served and a general good time had on the conclusion of the business session.

EL VERANO NEWS

(Additional Notes From Correspondent)

Charles Boyd, one-time manager of Sonoma Grove Resort, and now the popular proprietor of a swell cafe on Fillmore Street, San Francisco, is spending the week here.

Leo and Harry Baines left Friday morning for Santa Cruz, where they will join their mother, who has been spending several weeks at that famous seaside resort.

A crowd of horse fanciers from here journeyed to Santa Rosa Sunday, where they enjoyed some good horse racing, and it was not a surprise to them when Joe Ryan came home with the honors, nor will it be a surprise, if he comes home with greater honors after the election is over

Garage Changes Hands

Sonoma's enterprising firm of electricians, Leiser & McDevitt, purchased the Gottenberg Garage, buildings and business, this week, and will take possession of the concern August 1st. The new owners will conduct the garage with the strict attention to business and courteous treatment to patrons that resulted in the upbuilding of the fine trade enjoyed by the popular Gottenberg Brothers.

SATISFIED WITH ASSESSOR BERRY

Over in Petaluma, from time to time, many nice things are said County Assessor Joseph P. Berry by the press, which prove that the unexcelled service given by that capable official is recognized. It is evident that Mr. Berry has a strong following in Petaluma, its press and people undoubtedly believing that when a man has made good, when it is undisputable record that he has given to his constituents such an service as only could be accorded by a man of superior intelligence and exceptional qualifications he should, in justice to himself and for the best interests of the people, be retained in office.

The following tribute was paid Assessor Berry in Sunday's issue of the Petaluma Courier:

"Everybody in Sonoma county is satisfied with the splendid assessment of property made by Assessor Joseph P. Berry and his corps of deputies. The annual sessions of the board of equalization have been concluded without one property owner appearing to ask that a change be made in the assessment of the property. This demonstrates the satisfactory manner in which the assessment of the county has been done better than can be told in any other manner.

"Under the present assessor the property valuations have been brought to a state of perfection, which permits of no complaints, and on this Assessor Berry is making the campaign to be re-elected to the office. He promises the same careful attention to the details of his office that he has given in the past, and will always be on hand personally to attend to the wants of the citizens of the county. Mr. Berry has received many flattering recommendations for the exceptionally fine manner in which he has conducted the office during his regime, and these have come from the people of all political parties. Those who have reason to know that the office is conducted on the highest possible plane are the attorneys of the local bar and the searchers of records. They are among Mr. Berry's most ardent supporters in his campaign, and are a tower of strength for him.

N. H. Richardson to Speak.

Next Monday night, July 27th, at eight o'clock, N. A. Richardson, of San Bernardino, Socialist candidate for Governor of California, will deliver an address at the Don Theatre, Sonoma.

Mr. Richardson, who is a keen student of political and industrial conditions, will discuss all the issues of this campaign, and local Socialists say there will be absolutely no evasion of important questions now confronting the people of California. At the conclusion of the address, the speaker will answer questions from the audience. The public is cordially invited to attend.

Committee Named

Dr. A. M. Thomson, president of the Sonoma Valley Chamber of Commerce, has named the following gentlemen to serve as a solicitation committee for membership among the farmers, and the district to which the several committee-men will devote energies: C. F. Studley, Buena Vista; W. M. Erskine, Vineburg; Wm. J. Clement, San Luis; Granville Harris, Whatmaugh. The upper end of the valley will be visited by Secretary John A. Picetti. Every farmer in the valley will be called upon by these energetic gentlemen and an effort made to have each and every man of them unite in the effort to bring the Sonoma valley to the fore, and also to arrange a display to be exhibited at the Exposition worthy of this prolific section.

Producers who wish to contribute to the display should consult with committee, or send fruit or vegetables to Secretary John F. Picetti, who will forward same to Santa Rosa for process, preparatory to display. Sonoma's enterprising grower, C. Rasmussen, has set the initiative by preparing an exhibit of Crawford peaches, and another of plums is being arranged by W. F. Clowe.

Dr. Frank H. Phillips, of Petaluma, who aspires to the office of coroner of this county, and Postmaster L. V. Howell, candidate for county treasurer, were in our city this week. Both gentlemen have many and ardent supporters here as elsewhere in the county. As a matter of fact, they are two of the strongest candidates on the ticket, and are declared by their friends to be sure winners.
